XuanKong Flying Star FengShui 玄空飛星風水

Abstract:

FengShui is based on Yin-Yang. Even the tools of applying to FengShui are also Yin-Yang. Basically, there are two divisions; using Time and using Landscape. The one using Time is XuanKong Flying Star. The one using Landscape is related to heavenly stars. Both tools have to apply together in order to be complete.

This course, with time restriction, is mainly focused on the Flying Star; but will provide some basic applications of XuanKong Landscape for practical use.
